With 6 months training and 6 months practical experience at a Safari Lodge.

GUIDE AND TRAIL COURSE

6 Months training for South African & International citizens

With an option of a practical experience at a Safari Lodge.

Established in 2014 in honour of the late conservationist Nick John More, MORE Field Guide College is **dedicated to preserving the environment and sharing a passion for nature**. With our campus in the Marataba Game Reserve, the college immerses students in pristine natural settings providing training, accommodation and a wealth of information.

As an endorsed delivery partner of FGASA (Field Guides Association of Southern Africa), **MORE Field Guide College** is committed to producing exceptional field guides who are well-equipped to protect and educate about the world's last wild places.
